

The National Charity League Presents:

A large, stylized graphic for a spring event. The words "Spring Fling" are written in a large, green, cursive font. Below them, "HOP ON OVER" is written in a smaller, blue, serif font. The background is a light pink with a watercolor floral pattern. Various spring-themed icons are scattered around the text: a treble clef with musical notes, a butterfly, a ladybug, a bee, a bird, a paint palette, and a group of hands.
